

Love Yoga Crew - Online Safety Act Statement

Our Online Safety Act Statement

Love Yoga Crew is a space for people of all ages to explore movement, mindfulness, and wellbeing. We aim to create a safe and welcoming environment both in person and online.

Content and moderation

Our website, videos, and resources are designed for general audiences of all ages. We do not publish sexual material, violent content, or anything unsuitable for children.

If you take part in our online classes, comment on our posts, or share content in our community spaces, we ask that you:

- Be respectful and kind
- Avoid offensive or harmful language
- Do not post anything illegal or unsafe

We will remove any material that breaks these guidelines or Scottish and UK law.

Reporting

If you see something on our website or in our online spaces that concerns you, please email safety@loveyogacrew.com. We will review it promptly and take action if needed.

Why this page exists

The Online Safety Act requires us to have clear safety information for users. We see this as an opportunity to reaffirm our values: kindness, respect, and care for one another, on and off the mat.
